

1. AUSFERTIGUNG

This is a detailed architectural site plan of a residential development, likely a school or institutional complex. The plan shows the layout of several buildings, roads, and landscaping. Key features include:

- Buildings:** Numerous buildings are shown, many of which are colored in shades of red and orange. They are labeled with various codes and numbers, such as 'WR II 0.8', 'WR III 1.0', 'WR IV 1.1', and 'WR V 1.2'. Some buildings are also labeled with '0/5°' or '20/30°'.
- Roads and Paths:** Several roads and paths are shown, including 'In der Delle', 'Weg', and 'Wiesengrund'. The plan includes various measurements and labels for these roads, such as '128', '124', '120', '118', '116', '114', '112', '110', '108', '106', '104', '102', '100', '98', '96', '94', '92', '90', '88', '86', '84', '82', '80', '78', '76', '74', '72', '70', '68', '66', '64', '62', '60', '58', '56', '54', '52', '50', '48', '46', '44', '42', '40', '38', '36', '34', '32', '30', '28', '26', '24', '22', '20', '18', '16', '14', '12', '10', '8', '6', '4', '2', '0'.
- Landscaping:** The plan includes various landscaping features, such as trees, shrubs, and lawns. These are represented by various symbols and patterns, including circles, squares, and hatched areas.
- Annotations:** The plan is filled with numerous annotations, including measurements, angles, and labels. These include 'WR II 0.8', 'WR III 1.0', 'WR IV 1.1', 'WR V 1.2', '0/5°', '20/30°', '20/45°', '128', '124', '120', '118', '116', '114', '112', '110', '108', '106', '104', '102', '100', '98', '96', '94', '92', '90', '88', '86', '84', '82', '80', '78', '76', '74', '72', '70', '68', '66', '64', '62', '60', '58', '56', '54', '52', '50', '48', '46', '44', '42', '40', '38', '36', '34', '32', '30', '28', '26', '24', '22', '20', '18', '16', '14', '12', '10', '8', '6', '4', '2', '0'.

The plan is oriented with North at the top. The overall layout shows a central area with several buildings and a large green space at the bottom. The buildings are arranged in a somewhat irregular pattern, following the shape of the site. The roads and paths connect the buildings and provide access to the site. The landscaping is designed to create a pleasant and functional environment for the residents.
